Messages of Condolence

My sincere condolences to Darryl and family on the passing of his father. Although acceptance is necessary as we move on with our lives, sadness and sorrow is part of living.

Darryl, we were most pleased to see you recently; after so very many years. You are all grown up with a wonderful family of your own. It was so good (although very brief) to catch up on old times. To you, and everyone in your family, we send our sincerest sympathy in the loss of your father.

- Remembering you, Raye and Gloria.
