Messages of Condolence

It is with heavy hearts we feel for the sorrow your family feels on losing you too soon; we know you will always be watching over them; And, that you will always be with them.

We will never forget that twinkle in your eyes; the joy that shone forth from your face from where all could see the love of God in your heart. Always a good, kind man.

All we can say is this: "Life's Work Well Done" Les.

God speed! Until we meet again.

Our thoughts & prayers go out to all his wonderful family.

God love and bless you all. There are no words.....

My heart is saddened with the recent passing of my colleague and dear friend Les Knapp. The first day Les and I met it was in 2014, it seems as if we had known each other for a life time. He was very easy to talk to and he was a very funny guy. Not only was he a committed co-worker he was also a loyal friend and a dedicated father and husband who constantly spoke about his children and wife. I will sincerely miss having him around. My condolences to his wife, children, and extended family. Rest In Peace my dear friend.

I was a classmate of Les's in high school. He was a great guy. Great big heart and a lot of fun to be around. He was kind, compassionate and easy to be around. Sad to lose someone like him. Rest in Peace Les.
