Growing up I used to love hanging out with Michele, she was fun, pretty & popular and she had her dad's sense of humor. I wished I could be just like her, she would take me to parties with her and introduce me to her cool friends. She was my idol! Times spent with her & her family at their farm were some of the best days of my life. I'm so sad that her life ended this way, I wish I had done something for her. She deserved much better. I'll always remember the good times we shared, I love you Michele

Dear Aunt Sylvia, While visiting my parent's grave site yesterday I learned of your loss of your daughter, Michelle. I always regretted not getting to know your daughters, especially Michelle, earlier in my life. Michelle's pretty and kind smile remains in my memory from that time when I finally did meet your family as a teenager. In time we all may hope to become gracious in those memories our loved one's hold dear. Aunt Sylvia thank you for all of your understanding, loving and kind graciousness you always extended toward myself and my children.

With love, Linda Knight
