## Messages of Condolence

I am so sorry to hear of Pauline's passing. She was a very special member of our Sunflower support group. She always came with a smile on her face, no matter what her day or week had been like. She took a "Pollyanna" approach to life, meaning that she found something positive to say about anything she chose to share with us. She added much wisdom to our discussions. It was evident how much she loved ALL of her family, and her eyes would dance when she talked about her grandchildren. Her love for nature, and her longing for Saskatchewan soil also were sprinkled into her conversations. The Sunflower group will miss her greatly, but I am glad she is at peace now, with no more suffering. My condolences to Pauline's husband, her children, and all of her siblings and extended family. My prayers and love are with each of you.

Pauline was a wonderful person with a beautiful soul. She always came to the Sunflower Ovarian Group with a smile on her face and a new color on her nails! We all enjoyed her fun personality. She spoke so lovingly about her family. She will be missed here but heaven has now gained an angel. Prayers and sympathy to the whole family.

I knew Pauline where we both attended the Sunflower support group at TBCC. I appreciated her passion for information and support, for her courage-under-fire, for her humour, and for her ever-changing nail colours! Pauline will be missed. My sincere condolences to you all.

Facing Sunward

She lifts her face to the sun  
And lets the warmth fill her,  
Nourish her,  
Help her grow.

She lifts her face to the sun  
And speaks about unfairness,  
Injustice,  
And writing wrongs done to others.

She lifts her face to the sun  
And sways to the music  
Dancing as the light sparkles  
Off her brightly coloured finger tips.

She lifts her face to the sun  
And embraces her family,  
Laughter and  
Love emanating.

She lifts her face to the sun  
And takes the hand of God  
Finding ease and comfort  
And Peace.

Pauline was a fellow Sunflower and kindred spirit and I miss her greatly.
