Thanks for the note Chris. Mom is fine. Alex had been at Cedars Villa for almost a year & in/out of hospital for various conditions. He had gone for a walk the day after Thanksgiving 2010 and never came home again due to a fall. Although not unexpected; it was still a bit of a shock when Alex did pass.

Joan & I are on the Island for a week. I have called Mom to pass on your message. She was moved to hear from you. I trust all is well with with you & Wayne.
