Messages of Condolence

I am saddened to learn of Delores' passing. When Stan convinced me to move to Calgary in 1978, Roberta struggled for quite some time to make the adjustment. Delores was a gracious hostess and a compassionate friend who took us under her wing. For that I am eternally grateful. I cherish the memories of our times together at American Concrete Pipe Association functions.

My thoughts and prayers are with you.

Our sincere condolences to the entire family. Losing both Stan and Delores is very sad. Our memories are of the two of them always together, always having fun. May they continue to watch over all of you from heaven. Hugs to Melody, Jamie, Parnell, and Jason.
