Dear Lorne & Family,

I will always have fond memories of Kay from when we worked together in government and later when we managed to find time for a some great visits and conversations. She was a lady in every way with a wonderful sense of humour. I will always cherish our last short visit on June 15th when we met in the parking lot at Victoria Square.

My deepest sympathy to you all, she will be missed.

To Lorne & Family.....my deepest condolences go out to all of you as you grieve the recent sad time of Kay's death.

I remember Kay for the very friendly lady that she was...I mostly knew her in the day when I worked with Lorne at Royal LePage! May she Rest In Peace!

The last time I chatted with Lorne & Kay was when they thoughtfully attended my husband Irven's funeral (2014).

Sorry for not sending this condolence earlier but I somehow missed seeing the obit till now!

Sincerely Betty Wagner
