Messages of Condolence

Dear John and family,

We were deeply saddened to learn of Vivian's death. Vivian was an excellent neighbour to us and we will always have tender memories of her. She and I used to enjoy chatting while we were out gardening together and she was always so helpful, watching over our home, garden and pet cat while we were away on holidays.

I know that her loss will be felt deeply in your family. Please know that we have gentle, loving thoughts for your family at this difficult time.

Gaye Hopkins and John Trout and children Rebecca and Evan
