Susie Marie Krysinski

JULY 7, 2012

It is with profound sorrow, that our family announces the passing of Susie Krysinski.

Susie passed away peacefully with her loving family at her side, after a lengthy and heroic battle with Leukemia. Her courage and determination stands as an example to us all.

Those who knew Susie will remember her for her sense of humor, keen wit, and outspoken personality. She was deeply devoted to her family, and relished her acute love of nature, with a special affection for butterflies and hummingbirds. Susie was passionate in her hobby of growing orchids, and for many years was a member of the executive committee of the Calgary Orchid Society.

Susie is survived by her devoted husband; Walter, daughter and son-in-law; Angela (Erik) Nelson, sons; Paul and Mark, parents; Jean and Rejeanne Dion, and brothers; Michelle, Pierre, and Jude Dion.

While our beloved Susie will be profoundly missed, we know that she will continue to live forever, in our hearts. At Susie’s request, no Funeral Service will be held. In lieu of flowers, donations in Susie’s memory, can be made to the Leukemia and Lymphoma Society of Canada at www.llscanada.org.

Messages of condolence may be left for the family.
