My condolences to the whole family, living beside you was great. Mr K would always stop to shoot the breeze, you guys were the best neighbours. I know why you were such a great family, your dad was a good man and a great father. Cherish your memories

Mr. Kwasnicki was my dad's accountant when I was growing up. I remember looking forward to the days that your whole family would come over and we would have a lot of playmates. We are sorry to hear of his passing, two weeks after my own father's passing. Praying for your family as you navigate this season of grief.
