

Sharlene "Glenda" Lacelle

JULY 12, 2020

It is with deep sorrow and much love that we mourn the passing of Sharlene "Glenda" Lacelle, late of Regina, Saskatchewan on July 12, 2020 at the age of 54 years.

Glenda was a dedicated mother first and foremost. She treasured her children and embraced every moment with them. She especially loved her role as Grandma and took every moment to make memories with her grandkids. She had a vivacious personality and a laugh to match, easily making friends everywhere she went.

She leaves behind a beautiful family that she was very proud of. Glenda was world-renowned for her huge personality, not holding back her opinion and a knack for telling it like it is. Glenda was the strongest woman you could have ever met. She wasn't afraid of anyone or anything. She was a fierce Mama Bear.

She spent her time attending her grandkids sporting events cheering them on so even the other team knew which kid she was there to support. She loved to make sure the grandkids knew she was there.

She will be lovingly remembered by her son Tyler Lacelle and daughter Jatanna Lacelle along with her grandchildren (Tyler) Keegan, Ethan and Adrian, (Jatanna) Stetsyn. She will be missed by her sisters Myrna Borth, Donna Jack (Bruce) and her brother Howard Jestin (Debbie), as well as numerous relatives and friends.

Glenda was predeceased by her loving parents Ivy and Wilbert Jestin and her sister Colleen Hooker.

A private ceremony will be held to honor her memory. The Family has organized a Celebration of Life on July 25, 2020 between 12:00 p.m. - 5:00 p.m. at 1319 Dover Ave., Regina, SK. They ask that you bring a photo of your fondest memory of Glenda to aid in the celebration.

The family wishes to send a special thank you to the individuals and first responders for their care and compassion of Glenda on scene.

In lieu of flowers, donations may be made to the Alzheimer's Society of Saskatchewan or Heart and Stroke Foundation of Canada in honor of Glenda Lacelle.

I am so very sorry about Glenda.

I have many, many special memories of the times her & I spent together when we were younger.

We spent so much time together & whether we were in Regina, at my house, or at Donna's, or in Kronau or Stoughton or wherever we were, we made the best of our time together.

I loved her, she was a very good friend to me, her smile and her laugh were very contagious.

I didn't see a lot of her these past years, but whenever I did, it was just like the old days, I will miss her.

Not seeing a friend, because everyone gets busy with life, is sad, but at least you knew they were there.

Knowing she's gone leaves me broken-hearted.

I'm sending my deepest, heart-felt sympathy & condolences to all of Glenda's family and friends.

RIP my friend ☐

She isn't my mother
She isn't my sister
She's one of the family
Who's more like a friend

She has fun with me
Laughs with me
listens to me, encourages me

She spends time with me
believes in me
shares with me, cheers for me

She understands me like a mother
She's there for me like a sister
and perhaps best of all
she loves me like a friend.

Love you Glenda!
