Messages of Condolence

My dearest soul father will be deeply missed. He had lived a simple life and rooted in family values. Russell hear was always remembering someone and calling them to say "Hello" He had always connected to relatives by saying happy anniversary or a birthday.

The person who had always mentored to be a father.

— **Joseph**

Russell was a gentle teddy bear with a big heart. He always remembered everyone's birthday with a phone call. We will hold our memories close to our heart and do our best to support our sister Barb and Joseph. Rest in Peace Russell. We will remember the Lessons in Life that you have taught us; the most important ones in my mind are love people unconditionally and keep your sense of humor! Love you precious brother-in-law!

— **Linda and Gordon Nielsen**

Barbara:
