Messages of Condolence

We'll always remember
that special smile,
that caring heart,
that warm embrace,
you always gave us.
You being there
for Mom and us,
through good and bad times,
no matter what.

We'll always remember
you Dad because
they'll never be another one
to replace you in our hearts,
and the love we will always
have for you.

I Love you dad!
I miss you already!
Rest now I know your heart was tired.

Sad days for me, but I know Archie found peace and is happy with Tammy, he is with all his friends and relatives who have passed on, goodbye my son, I will always remember you in my heart, and we will meet again when it is my turn. May the Creator keep you safe until we meet again. Love Mom

Archie was a great provider to all of our children. Nikki, Krystle and Deo. And he loved them from the bottom of his heart. He taught my children to be tough and proud and to never be scared of anything. And amazingly they have lived up to their fathers words.

He always told them, "you cant hurt steel".

I can hear him laughing now. Its was sad news to hear that Archie passed on. But, he will always have a place in my heart. Be the wild child you always were. Be with our son RJ in harmony and peace.

— **Sharyn McKay**
