I knew John many years ago when he and my cousin Gabriella were married, my mother was Gabriella's god-mother, both my parents Lotte and Erwin German and Austrian descent , knew John, they are both deceased now. I lived in Laval Montreal at that time, I was just a young lad at the time, but I remember Julia and Thomas visiting us when they were little 4 and 5 years old, remember John wearing his cowboy hat, they lived in Fort St. John BC He was working as a millwright very interesting job, my deepest condolences to your family at this sad time
