

Lance Henry Armbruster

AUGUST 29, 2025

With sadness we announce the passing of Lance Henry Armbruster of Regina on Friday, August 29, 2025.

He was a protector, a boy who grew up watching over his siblings. He was silly, even in his older years. He had the best birthday, and he even shared it with his little sister- October 31st!

His oldest daughter was tasked with writing his obituary, and because she didn't get the chance to get to know him, she has asked his family and best friend for some stories.

Everyone said he was kind and funny, and he liked sweets- especially skittles! He could sit for hours watching America's Got Talent or SpongeBob SquarePants. He collected things for his nieces and nephews, and saved drawings they gave him over the years.

Lance was a roofer, an animal lover, and a friend to many. He lived a short life, but he left good memories with those he loved.

He leaves behind his daughters and grandchildren, his siblings, a multitude of nieces & nephews, and many friends. He is pre-deceased by his Mother Yvonne Clark, whom he loved very dearly.

His surviving family will meet to discuss a gathering at a later date following cremation. He will missed.
