Dad, you are gone from us now, but you will live forever in our hearts. It gives us great peace to know that you are with the Lord. We love you so much. Our family would like to express gratitude to the many health care providers who were so

kind to Dad - especially those at the Santuari Hospice.

In lieu of flowers, donations may be made in Flick's memory to the "Ride to Conquer Cancer" at **http://www.conquercancer.ca/goto/TeamTernes**. Amy and Karen will be doing this bike ride to raise funds for cancer research and in memory of Flick.

Floyd started out as a customer for my landscaping company but quickly turned into more of a friend than a client. Both hailing from P.E.I we would sit and talk about "back home" over coffee. Even on the days he didnt need his grass cut their was always an extended coffee time chat. Forever proud of his kids and grandkids. My deepest condolences on the loss of such a great man. I feel honoured to be able to say i knew him.

Our deepest sympathy to the Landry family during your time of grief. I was very fortunate to work for Flick back in 1979 when, as a young and newly married couple, my wife Donna and I were stationed in Lahr, Germany. Flick was more than my Sergeant, he was a great mentor and an extremely caring and compassionate leader. He understood the strain of new marriage in a foreign place and it was through his care and counsel that I credit him the fact that my wife and I are now enjoying our 35th year together along with our kids and grands. God bless him and your families, may he rest in peace.

— Steve and Donna Blanchard

My sincere condolences to Flick's family, I first met Flick in Petatwawa in 1971 when he and another lineman,Gerry Gillis, ruled the ice for Signals' teams. I met up with him again in 4Sigs in Lahr, Germany in 1977 and again in Debert, N.S. in 1984. Later, in PEI in 2002 after the passing of his dear Jean, I met Flick at the entrance to the Future Shop just before his planned move to Alberta to be closer to his children. Islanders still remember and talk about Flick's smooth skating and playmaking ability. Alfie Flanagan and Ivan MacPhee - hockey standouts both - marveled at Flick's ability to play the game. Flick was much more than a loyal soldier and talented hockey player; he was a true gentleman - in every sense of the word, and a friend to every young soldier when we needed it most. He will not be forgotten. RIP old friend. VVV

It was with great sorrow that I learned of the passing of Flick. please accept my condolonces. He was a highly respected member of the Royal Canadian Corps of Signals. I did not serve with him but I did play hockey against him and sometimes you get to know people better threw sports, I saw him at the 100 reunion and we reminiced and we were going to get together in Calgary but it never happened. Stand at Ease my friend. George Pambrun

I was a young hockey player playing in Kingston, Ont., in 1967 with Flick and the Base team. I've thought of him often over the years with his unique skating style....flick...flick with his skates clipping the ice with every push. Sorry for your loss....I've thought of him often.
