Tracey although we've never met I wanted to send you my condolences on the loss of Kirk. Like Kirk I've been in the Ag Equipment business for many years and through that connection have talked to Kirk many times at the shows, etc. He was always a happy face to run into and share some stories with. He was just telling me at the farm show in Regina how much he loved living in your new house in the country. I will always remember him as one of the good guys that's for sure!
