Messages of Condolence

My heart is with each of you -- Bill, Julia and Miranda. When I think of Linda, I think of "goodness". She was a beautiful, thoughtful and generous woman. It was a privilege to be her sister-in-law. May her goodness, which lives on in each of you, give you the peace and strength you need these days.

So sorry to hear of Linda’s passing, hadn’t seen her for 40 years but thought of her often. Met her in Calgary and met up with her again in Vancouver, she’s the reason I moved out here and I fondly remember thé those days and will be forever grateful for having known her.
