Bart, Glenn and Diane, so sorry to hear of your mother's passing. As a youngster growing up two doors down from your family on Argyle St., I always pictured your mother as a very pretty lady, and your dad with his standard crew cut hairstyle.
I know Bart you have run into my mother Ann a few times in the past few yrs, it may have been at College Park Residence, her former residence. She always mentioned it to me, and was happy that you would take the time to say hi and chat with her for awhile. Being recognized means a lot to old timers. Mom's dementia has progressed lately and she is in a care home now, just celebrated her 93rd bd, the day after the election. However, it wasn't two weeks ago we drove by the old house on Argyle St., and she named almost all the residents within 5 or 6 houses our home.
I know you 3 had a great family upbringing, so cherish the memories.
