Messages of Condolence

We are so sorry to hear of George's passing but take comfort in knowing he is at peace. We are lucky to have so many fun memories of campfires, singsongs, and campouts with George. I know you will all miss him dearly.

My deepest sympathies go out to the LeBlanc family. I have many, many memories of George when he and his family were our neighbour on First Avenue and even after they no longer lived across the street. Of course, the memories are all good and some are especially humorous...like the way you had to brace yourself when he gave you a hug!! He will be missed dearly, but now he is reunited with Marlene and many other good friends and neighbours.

Sincerely,

Shelly Kowal, Dean and Heather Norton
