Messages of Condolence

My deepest sympathy to the family of Ken. I knew ken for many years as a patient at Towerlane Medical clinic where I worked for Dr. Seedat. He always had a smile and time for a chat. I'm going to miss seeing him ☐

So glad I made it in time to see you and was very nice to spend the days with you. As you had your own agenda I'm still great full I was able to be with you until your passing. You were the best Uncle and I will miss you dearly. I know you will be in a safe place now and I will think of you often. Rest In Peace I loved you so.

Very sorry to hear of Ken's passing. He was a friend to my Mom Audrey Johnson, when she lived across the hall from him. They enjoyed many dinners out at various Airdrie restaurants, and watching hockey games together. He was a very kind and special man. Our condolences to his family and friends.
