Ron and the Leinweber family,

I am so sorry for your loss. Phyllis and I were friends for over 45 years and I considered her a true friend. We had many a good laugh together. Although we did not see each other over the past years, we always made sure to contact each other at Christmas and on our birthday's. I'm going to miss our telephone conversations. Just know you are all in my prayers and she will always be in my heart. ...Leiana Hazard
