Messages of Condolence

I felt very fortunate to get to spend time with Angie for the last chapter of her life at WRC. No matter how much time would go by and we would not have seen each other, she always had a smile for me and it literally made my day. I will miss that smile. RIP dear Angie.

I met Angie in our art instruction class and we became fast friends. She had a cheery, happy, outlook and we had many good times together.. I miss those times. So sorry Colin and Vince and family.

I knew Angie when she lived in Fort Qu'Appelle, she was such a genuine, kindhearted, lovely lady with a good sense of humour. She will be missed.
