Messages of Condolence

Richard was a very special person and he will be missed greatly. We always enjoyed the time we spent with him talking and laughing over Sunday Brunch and then later in the hospital. He had a very good sense of humour always. We wish to send our prayers and hugs to you, Helen and your family.

Dear Helen and Families,

I was saddened to see that Richard had passed. He was a good friend of my father's and always a welcome visitor in the J Nichol shop... so very sorry.

I know, that after your grief starts to subside, you will have fond and cherished memories of Richard. I have every belief in the world that he is now free from pain and is in a perfect place. That, in itself, I find very comforting. I hope you do too.

Take care,

With love and sympathy,

Roberta and Ken Nichol
