Messages of Condolence

My thoughts are with you all.

— **Bernice Llewellyn**

Norma has been my Mother in Law for almost 40yrs. I met her in 1970 as a kid of 15. I have known her most of my life. She has been the only Parent and Grandparent left for Jim, Jenna and I for quite some time now. We had lots of fun times over the 44 years and got through all the good and bad together. She will be very missed by me.

"Mothers and Grandmothers have a special spot, where they can hold the babies on their laps and whisper to them, that the stars are just the holes in the floor of Heaven."

Love Becky

Jim and Becky, very sorry to hear of your moms passing. It would seem that we are all now the eldest generation, kinda hard to wrap your head around. Losing our mothers was the hardest thing to get through, a blessing in Terrys moms case as she was in continuing care for 8 years but very quick for my mom, just 2 months warning. Know that we are thinking of you and all your family and may your mom rest in peace.
