Longeway Family,

We are sorry for your loss. We will sadly miss a great neighbor, friend and fellow dog walker. We always managed to bump into Val on walks, conversed about the weather, farming and our dogs. We received an abundance of apples that became pies that reminded us her when we ate them. She will be missed dearly.

I admired Val for her acceptance of her illness and to live everyday with no regrets.

— Ken and Andrea Jensen

Our deepest condolences on Val's passing. She will be missed.

— Alice and John Van Brunschot

How dearly I will miss our daily chats either over the fence or while walking our dogs. You were a great neighbour and friend. You were always so thoughtful and caring. We will miss you with aching hearts and wonderful memories.

My condolences to your family. I will deeply miss Val she was a wonderful lady . I had many conversations when she would drop off her dogs for grooming. She always thought of others before herself. My prayers are with you. Theresa Dizes from Fancy Paws Grooming.
