" Tiny " was my crew foreman (Sask Power) at Weyburn in 1958/59. I had numerous foremen over the years but " Tiny " was my favorite. He cared about our welfare. Sorry about your loss.

Sorry to hear about the loss of Tiny. I remember many days spent fishing out on the boat with Tiny, Gail, and my grandparents (Bill and Irene Greggains) at Echo. Thoughts and prayers with the family at this time.

— **Darcy Wilson**

Just heard that Tiny passed away. I always remember Dad telling how Tiny hooked up our power at the farm a little ahead of time when he found out Mom was coming home from the hospital. So sad we have lost touch. Deepest sympathy.
