My sincere heartfelt condolences to Jackie and Inigo. May God's love bring you peace and strength during this difficult time. My thoughts and prayers are with your family. Turst that Lumel is now in the comforting arms of our Lord.Lumel has played such a significant part in St. Paul School and my life that probably only a handful of people knew since he never bragged about the many projects he had done for the school. He was my go to artist whenever I had a project on hand that required a creative vision. Be it a simple walkathon poster to designing a new school crest. He always came through for me no matter what. For this selfish reason, I am going to miss him so much. Lumel may be gone but he will always be remembered for the beautiful things he has done. His legacy lives on through the many projects his artistic talent has touched. The St. Paul School crest and Grade 7 farewell banners will forever shine as a mark he had left behind. Thank you, Lumel, for your kindness, generosity and time. I feel very blessed to have been given the chance to know you. I hope that someday we will meet again in Heaven (hopefully, I will get the same special fast pass like you did and promise, no more project deadlines to work on when that time comes). Rest in peace my dear Lumel, and always watch over Jackie and Inigo.

My heart bleeds for Jackie, Iñigo, Tito Miling, Tita Lucy, your Kuya Avel, Mercel, Merielle and the rest of the family but I also find comfort knowing that you are now in peace in the presence of our Lord&Savior, Jesus Christ. We will surely miss you, Lumel. I will miss you! You and i were very close when we were kids! Among us, cousins, you were always the gentle, cool and smiling one. Your family will always be in my prayers. And you will always be in our hearts. God bless you and your family. Love you Insan!

Ako po ay nakikiramay sa pamilyang naiwan ni Kuya Lumel. Kahit hindi ko po masyadong nakilala nang lubos si Kuya, naalala ko po kung gaano sya kabait at palaging nakangiti. Please accept my deepest condolences to the family.

Again, our
condolences to Kuya Miling and Family and to Lumel’s immediate family, Jackie and
Iñigo. We know that there are no words that can truly ease the pain of losing a family member. We have been there. But we can take joy in the thought that the Lord prepared Lumel’s life to be worthy of the eternal life with God. I can sense that Lumel lived with an intimate relationship with God together with his family. The Lord has a
great purpose for everything that He allows to happen. Though some of them may be hurting, but it doesn’t mean that He is being unkind or trying to forsake us. We just have to trust His love and His unique ways. We will all miss Lumel. But let us entrust His soul to the Lord’s loving care for He knows best. Lumel is now in a better place.Sending you hugs across the miles... Lumel will always be in our prayers, and so will all of you be - for strength, peace of
mind, and the immediate healing from pain. God bless everyone.

I worked with Lumel at the Rick Hansen Foundation. He was a talented designer and such a lovely person and absolutely wonderful to work with. He will be missed. On behalf of the RHF team, my sincere condolences to his family and friends.
