Messages of Condolence

Tim enjoyed playing golf with Glenn. He had a horrendous slice that sometimes would work out for him. Wished I had more time with him to correct that swing lol
Glenn was caring, calm, easy to approach, he was a good person.

He had a soft spot for animals and it was rare to see him without his dog Taco.
He will be missed.

Our sincerest condolences to the family.

— **Tim and Sue Milligan**

Although it has been while since Glenn has passed. I only found out recently. I knew him when he lived in Nipigon and was friends with Rebecca.

So sorry for your loss.

If anyone knows how to contact Rebecca could you please let me know?
