Dear Shirley and family,

I was sad to see Al's obituary in today's Herald. When he was President of the Local and I was Vice-President, I can assure you I learned a great deal about the ATA, both locally and provincially, through his wise perceptions. I also learned that he was a very sensitive man. When I faced him across the bargaining table during "the big strike," he was always well prepared and a step ahead of everyone else, which enhanced my respect for him. My sincerest condolences on your loss.

Dear Shirley and family,

We are so sorry to hear about Allan's passing. Although we are away, you are all in our thoughts and prayers. We will especially be thinking of you all on Saturday and wish we could be there with the St. James family to support you.

Shirley, we will be back just after Easter, and will be in touch then.

Love Nora and Fraser
