## Messages of Condolence

Dearest Kathy and Keely,

Words are never adequate in moments like these. We will say though, that we are thankful for the privilege you had given us; you rewarded us with the delicate task of providing him the care that he deserved that we are happy to have accomplished. We will miss him.

Dwight is in a place now where there is no pain nor suffering. May this thought and his loving memories bring solace to your heavy hearts.

Most sincerely,
