Messages of Condolence

I'm so sorry for your loss. I've been friends with Shane since the seventh grade at Waverly. He was such a brave, loyal friend to me. We hadn't talked too much in the last couple years, but I have so many memories, and I think about him all the time. I will see you all in Calgary on Monday to share stories.
Sincerely
Rick LaRose

Shane was a amazing and unqiue friend, I'm really sorry for what happened to him and may his beautiful soul rest in peace. I remember the night we went camping and many drinking nights after a hard night shift. Those were my precious memories with him and I will definitely think of it sometime.

Shane will always be part of my greatest memories when we were young. I remember meeting him on the bus the first day he joined Waverly. I was lucky enough to call him friend and am so lucky to have had the opportunity to reconnect with him in the last 4 years. I am sorry that I cannot make it to celebrate this amazing man. Tanya, all my love.

Thinking of you all. Wish we could be with you! You are in our hearts always! Love, Kelly, Shawn, Bailey and Morgan

Shane truly was a beautiful soul who had this remarkable way of affecting everyone he cams in contact with; be it because if his big heart or that unmistakable laugh that I can still here ringing in my ears. He is still with us. I firmly believe that. My heart goes out to his family, his mom and his wife Tanya. Nothing will ever take this pain away. Shane helped me heal from my tragic loss years ago so In Shane’s own words -“don’t let this be in vain! Everything happens for a reason! You will know what that reason is when the time comes”
Thank you, Shane, for being a part of my life. Much love always - Toni
