Frank, Marleen and Maureen,

It is with great sadness that we learned of Irma's passing. I had the privilege of knowing her these past years through her acquaintance with our son James. I don't have to remind you that your mother was a beautiful person who lived her life with respect for all she met. She was generous with her time and resources, particularly the bounty of her garden which was a labour of love. She shared pictures and updates of her family. I am grateful that I was able to assist her these past few months with her errands. We always enjoyed a snack and a cup of coffee after our outings. I will miss her.

I have many wonderful fond memories of LADY IRMA. She was a caring, genuine and trustworthy person. I was saddened to hear of her passing - take comfort in knowing that she was truly loved and cherished by my entire family.

I am sorry it took me so long to accept Irma's death. Dealing with several personal deaths within the last 10 months, Irma is one of them, is hard to deal with.

It truly saddened me deeply that my long time Friend of 40 years, passed away.

Knowing her for such a long time, and watching her showing courage and strength, I always respected her for that. Raising her 3 Children on her own, she was truly a hero. She always offered a helping hand to others, she was truly an inspiration to all of us.

Good bye Irma, your longtime Friend Christiane Koeksal
