EVEN WHEN YOU'RE GONE

by Will Blunderfield

Last night I found myself walking down a busy street
but I felt all alone standing at the place we used to meet
It was so cold, where did you go
Why did you leave so soon
I wish that I could tell you
all the things that I will do
Even when you're gone
I will carry on
Even when you're gone
I promise to be strong
I'll smile for you 'cause I know you'd want me to
And when the seas get rough, my darling,
I will feel your love
Today I found myself
Staring at your picture frame
And I wondered if I would ever feel the same
Please time move fast
So this pain will pass
What am I doing here
I feel frozen
My heart is broken

Even when you're gone

I will carry on

Even when you're gone

I promise to be strong

I'll smile for you 'cause I know you'd want me to

And when the seas get rough, my darling,

I'll still feel your love

You are invited to leave a personal message of condolence for the family.
