Margaret Jane Hetherington

NOVEMBER 10, 2026

It is with heavy hearts and deep gratitude, that we announce the passing of our mother Margaret “Margie” Jane Hetherington; a woman who was profoundly committed to her family, friends and community.

She is predeceased by her parents, siblings, her husband Herbert, her beloved two sons Glenn and Scott, and her granddaughter Angela. She leaves behind daughters Diane (Kim) MacDougall, Janice Hetherington, her daughter-in-law Kate, and numerous friends and relatives. To carry on her legacy she also leaves her 10 treasured grandchildren: Nicole (Cal), Paul (Beth), Angela, Mariann (Franco), Courtney, Peter (Clare), Whitney, Samantha, Logan (Natasha) and Colton (Brittany), as well as 11 great-grandchildren.

Margaret was born on February 21, 1933 in Regina, Saskatchewan. Although she was born in the city, her roots were firmly planted in the Qu'Appelle Valley, which was her home for over 80 years. She was raised in a farming family and often spoke with obvious fondness for the time she spent with her father tending to their land, and of her deep love of their horses.

With the love of her life, Herbert Hetherington, whom she shared over 50 years with, together they instilled in us a deep value for family, friends and community involvement. They extended this warmth and their giving ways into the Qu'Appelle Valley, the place they called home, and the people of Lumsden, who they also

regarded as family. Margaret especially loved catching up with friends over coffee at The Valley restaurant, always wearing her signature red lipstick. Margaret's extensive community involvement ranged from her love of curling to volunteering for the local Duck Derby. She cherished watching her grandchildren's sport events throughout the years and could also be found cheering on her adored Lumsden Monarchs on a regular basis.

Margaret will always be remembered as a wife/mom/grandma/great-grandma and friend who beamed with pride and hugged with such genuine affection; not because you did anything grand or newsworthy, but rather, just because she loved you so.

Her family would like to extend gratitude to the staff at Qu'Appelle House, Margaret's home for the last 10 years. Words cannot express how much her family appreciates their care and the comfort and dignity they provided Margaret during her last days.

A small private gathering in Margaret's honour will take place at a later date. Flowers gratefully declined, however, for those wishing to do so, donations in her memory may be made to Qu'Appelle House (1425 College Ave, Regina, SK. S4P 1B3).

Our heartfelt condolences to your entire family. Margaret was a great neighbour to us and always had a snuggle for the boys when they were little. We shared many coffees and chats together, she always talked proudly of all her family. Every moment she spent with them was the highlight of her day. I know that her heart was full just being with family. May all your memories of her be your highlights as well. Sending love & hugs to her beautiful family.Terry CathyBrett Laura & girlsJesse Jannike
