In Loving Memory of Mark Polter

It is with heavy hearts that we announce the passing of Mark Polter, age 51, after his courageous battle with cancer.

Mark was a one of a kind – true jokester who could always find a way to make people laugh, often when they least expected it. Behind that mischievous sense of humour was a heart of gold and kindness that will be remembered by everyone who had the privilege of knowing him.

Mark had a love for the open road and could often be found riding his motorcycle, enjoying the freedom and adventure that came with it. He also loved tinkering on his trucks, taking things apart, fixing them, and doing things his own way. These were the simple things that brought him happiness and gave him a place to be himself.

Mark will be remembered for his laughter, his stubborn determination, his big heart, and all the memories he created along the way. Though his time with us was far too short, the mark he left to those will remain.

There will be no funeral service. In keeping with Mark's wishes, a small private gathering will be held.

Rest easy, Mark. You are now pain-free and never forgotten. Ride free.

Messages of Condolence

Mark, you are one of a kind and there are no words of mine that can express the void you've left in this world or what you meant to us all while you were in it. Journey well, other brother. I'll see you across the veil one day. Much love. I'll miss you. ☐☐ My most sincere condolences to all his family and friends. May peace be with you.

I will truly miss our heartfelt conversations brother. You were an amazing friend to many and will forever be remembered for your humour, your open heart and your honesty. May the road rise up to meet you, the sun shine warmly on your face, the wind blow gently at your back and may god hold you safely in the palm of his hands. ML&R..☐
