We really liked having Bruce and Lori as neighbours, its saddening losing both of them so quickly. Bruce was always willing to stop over and share a few jokes while out walking the dog. He was a nice guy and will truly be missed.

I grew up in Kinnaird (South Castlegar) not far from where Bruce also grew up. We also went to the same schools. He had a unique, yet a little odd, sense of humour that always had us laughing. I only saw him a couple times in the past 20 years and wish I had seen him more. We send our love and condolences from all his schoolmates and friends in Castlegar.
