## Messages of Condolence

Larry and I have been blessed to have known both John and Beatrice! We always found John to be ready with a smile and eager share a current event or two. He liked to add his opinions and comments interjected with his, sometimes bleak sense of humor. It always made us smile back!! Such an iconic pioneer of our beloved Aldergrove, he will be truly missed. Our sincerest condolences to Earl, Elaine, Kevin, Shelagh, Joan and John and all of their families and extended families. RIP John and may you and Bea continue to shine in the hearts and memories of all who have had the pleasure of knowing you.
