Messages of Condolence

We are sorry to hear of cousin Doug's passing. Condolences to family and friends. Bill and Shirlee Matheson

My heart goes out to Kelsey and Marlee. Doug was so very proud of his "girls" and grandchildren. No matter where he was in his life's journey he always had time to phone Carol and I to catch up and, of course, brag about his family. Doug was my oldest, dearest friend and my heart is broken losing him. So long and rest in peace Doug. You will be missed.

Doug will be greatly missed for telling jokes. May he tell jokes forever!

We will always remember Doug for his smile, his love for family, and his friendship. He loved his daughters, and grand kids, and would have been an amazing grandparent if his health had allowed him this opportunity. We will miss you Doug and we have planted a tree in your honour. May you rest in peace!

I'll always remember the fun times both in and out of the office. I shared an office with Doug at Gulf and that seems like yesterday. He always made the day seem sunnier and brighter with his wonderful sense of humor and his excellent outlook on life. I watched Marlee and Kelsey grow up from a distance and know how much Doug loved them and admired what they accompished. Miss you Doug!
