Messages of Condolence

I would like to offer my condolences. Gordon was a good friend of mine and I will miss him dearly. Although I had not gotten a chance to speak with him much since he left Ontario, I was able to, with the help of his family, remain in contact with him. As I just heard about his passing myself, I will pass along the information to others who knew him as well so they may pay their respects. If there is anything I can do please let me know.
