## Messages of Condolence

Dear Don

So sorry to hear of your loss. Heather was such a wonderful person.

I prayer God's peace may be yours in abundance.

Rick

We have been blessed to know Don from early 1980's when he traveled to Vernal, Utah to minister to Mormons. We were newly out of Mormonism at that time, excited to begin our service to the Real Jesus. Thank you, Don, for bringing Heather to meet us a few summers ago. We felt an instant connection to her through the Spirit of the Lord, and we know that she is now with the Lord, and will be waiting for Don and her family to join her in the Lord's house. We will be praising our Lord together with her there when the Lord calls us home. It could be at any moment. "Even so, come, Lord Jesus!"

Heather was such a great person to work with. She never seemed to have a down day. I know she is missed by Donny and the rest of her family. So sorry for your loss.

Having never met Heather I felt I knew her somewhat from the stories you told in your emails.

Our deepest condolences to you Don and your family at this difficult time.

She sounded like a wonderful lady.
