Messages of Condolence

I was just going through some old Christmas cards and come across one from Pat with his retirement articles enclosed. I thought I hadn't heard from him for a few years and checked him out and was surprised and sorry to hear of his passing. Pat and I attended an EDC course in Ottawa and became very good friends, him being from Glasgow and myself from Belfast. We were of kindred spirits with our military and policing background. I recall our relationship as always being fun times and a real pleasure to be around. We exchanged Christmas cards but our paths did not cross again. My condolences go to Coleen and family on their loss as I know he was a big presence and truly will be missed.
