McCUTCHEON, Roma Lucille

November 8, 1938 - August 3, 2022

With great sadness we announce the passing of Roma Lucille McCutcheon. She was born on November 8, 1938, in Regina Saskatchewan.

One of three children of Florence Lena (Davis) and Samuel Charles.

Aunt Roma as she was affectionately known, had a heart of gold that enriched the lives of everyone she met. Her endless kindness and immense laugh will be fondly remembered by her family and friends. Roma had a passion for giving and looking after others.

Roma had many “loves” in her life - her family, her friends, cooking, music, games, curling, bowling, the Flames, shopping, travel and get togethers, just to name a few. Roma is remembered for her wit, sense of humor and sometimes dark jokes. Roma was always the last one to leave a party but was always available to drive those who needed some help.

In her younger days, Roma ran a beauty salon in North Calgary. She later went to work for a large home builder as their receptionist. Everyone that entered the NuWest building knew Roma. She was the smile that greeted all comers. When NuWest closed its doors, AGT at the time took over the building and asked Roma if

she would continue to look after the front reception area for them. Roma took to her new employer very well and again became the friendly face of AGT. AGT turned into Telus and Roma endured through all the changes until she retired at 65.

Roma had passed just two days before her brother Keith and was predeceased by her mother and father and her younger brother Gordon, her niece Lezliann and her grandniece Tara.

Our Dear Aunty Roma is fondly remembered by her immediate family in British Columbia, Alberta, and Saskatchewan, by her extended family throughout Canada, by her closest friends in Calgary and all her friends across Canada and anywhere she traveled. There are too many people to name, but we all know who we are and how special we were with her. One of the things that Roma said during her last days was, "I am very fortunate, very lucky to have such a great and loving family, and so many good friends." But we feel we were the lucky ones having her in our lives. All days - especially special occasions will never be duplicated.

Her family would like to thank the Medical Teams at the Foothills Medical Center particularly those in the Intensive Palliative Care Unit for their care and compassion in helping to maintain comfort and dignity to Roma during her last days with us. We would also like to thank Roma's close friend and "Roomie" Cathy Snyder for all the things that she did for and with Roma over the past years.

Sending hugs and our deepest sympathy. From my memories of Roma, she loved to have a good time and loved family around her. She will be missed.

— Helen Young

Will miss our chats, belly laughs and time in the kitchen on your visits to the Okanagan cuz! Till we meet again.

— Carol Torrance

My wife met Roma at the day clinic at foothills. They hit it off immediately. Unfortunately, it was a short lived relationship. We're both sad to find out about her passing more than a month after. However, we no longer have to wonder. Our deepest condolences to her family and friends

I just learned of Roma's passing. I worked with Roma while at Telus and went for coffee with her and a number of other colleagues every day. She had the best laugh and a friendly presence. She lived with her Mom at that time and was devoted to her well being. To this day, despite not having seen her in years, every year during peach season she comes to mind! She loved Okanagan peaches and would make a special trip just to get them so they could make pies etc! Enjoyed a slice of that pie and it was well worth it. She truly was a gift to be around...
