I am so saddened by the death of Greg. He was a wonderful friend to me and so many...his being gone will leave a void in so many lives. My memories of Greg are tenfold and his laugh will always ring in my ears. Certain people touch your life, and he was certainly one of them. My prayers and thoughts are with Greg's mother, father and sister now.

So sorry to hear of Greg's death --would have attended his service but was in Fort Saskatchewan for the funeral of my sister-in-law -- hope all the great memories you have will comfort and sustain you in the difficult months ahead
