Messages of Condolence

My condolences to Sam's family. Sam was a wonderful person. I had the pleasure of numerous visits, and chats with Sam on the phone over the years regarding his "insurance" needs and inquiries. It was always a pleasure talking to him. This world has obviously benefited from Sam's outgoing nature and his compassion for others and all living things. He will be missed. Cathy(Co-operators)

My thoughts are out to the Family. I got to know him he was my grandfather and a great dad to his children. He never really got to see me grow as well as me raise my children
