Messages of Condolence

I met Lisa and Herb in 2008 after I had moved back to B.C. from Alberta in 2007. I started a cleaning company in Langley and Lisa contacted me. My husband Dennis replaced a bedroom floor for them . Lisa was a gracious host and always made me feel welcome in her home. Herb was more reserved but also gracious. Lisa was a good cook too! She invited me to join the Red Hat group called the Lively Langley Lassies. I have been with the group for ten years. Lisa had a great sense of humour and was a lot of fun. I missed her after she could no longer attend our meetings. I would like to say to Michael that I was very touched by your words today and it was obvious how much your grandmother meant to you.
