Messages of Condolence

Dear Dad, I thought of you today, but that is nothing new. I thought of you yesterday and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which I'll never part. God has you in his arms, I have you in my heart. Never forgotten and always loved.

I can't believe it's been almost 3 months since you passed. I miss you so much. You would have been so proud of your great grand daughter, Kova who was born March 3. I was so hoping you would have been here to meet her but I know you are looking down on her with joy. Love you always

— **Karen**
