Marj, we are so sorry to hear that Wayne had died. Our 20+ year friendship with you and Wayne is one of our most valued. It would take a book to describe all the wonderful times we have enjoyed together over these years, always marked, as you say, with a sense of humour that we always seemed to have in common. We will dearly miss Wayne's contribution to the laughter that we shared. Of course, we will see you as often as we can, and look forward to looking back over these cherished memories with Wayne. Our condolences to all the family.
