

# Edward Paul Metz

NOVEMBER 6, 2014

METZ, Edward Paul

1923-2014

Edward P. Metz passed away peacefully at the Red Deer Hospital on Thursday, November 6, 2014, after a long battle with diabetes and heart disease. He was born in Regina, SK on Jan. 4, 1923. The family moved to the Okanagan area of BC when he was a boy. When he was 18, he joined the army. He served in Sicily, Italy and Holland, where he was wounded and hospitalized for many months. He pursued many paths in his long life, had a keen sense of humor, and so he could relate interesting stories. He enjoyed his years of music with the Circle Ho-Downers group and spent 25 years crafting stained glass projects. His artwork appears in many homes, yards and churches and is a beautiful reminder of his life. Ed is survived by his loving wife, Bea; two sons, Larry (Taffy), Greg (Colleen); grandson, Aaron (Laura) and their children. He will also be lovingly remembered by his four step-children and their spouses; ten step-granchildren; one step-great-grandchild; and a special nephew, Randy Metz (Maggie) of William's Lake, BC. At Ed's request, no formal service will be held. There will be a gathering of family and friends in the spring. The family wishes to thank the doctors and nurses on Unit 31 for their care and compassion. In lieu of flowers, donations to the Salvation Army, Alberta Division, 9618 - 101A Avenue NW, Edmonton, AB, T5H 0C7 or a local charity of your choice would be much appreciated.

## Messages of Condolence

We at Leyden's Glass would like to extend our sympathy to Eddie's family. He came to our shop often ... whether it be to sell us ice melt, campaign for money for the Circle Ho-Downers or to haggle with Dwayne on the price of stained glass products! He was always smiling and happy and I am sure he will be missed. Take care and cherish the many memories that he left behind.

Dear Bea,

So sorry to read today that Ed has passed away. Please know that you are in our thoughts as I know Dad would want us to do that. It was very nice to have met you both

J. I knew that Ed was very intelligent and was interested to hear of his artwork.

Take care.....The Family of Don Graham

Our sincere condolences to Bea and the entire family. We will always remember the fun and laughter we shared with Bea and Ed many years ago. We were around when you two met, back in the old days at the North Hill branch. Ed was a very positive and outgoing person who brought happiness to many. It was a privilege to know him.

Take care Bea!
