Jacqueline Wilma Miles

APRIL 12, 2020

Jacqueline Wilma Miles born October 13, 1964.

It’s with great sadness that we announce the sudden passing of Jackie on Sunday, April 12, 2020 at the age of 55. It gives us great comfort knowing she was with her one true love, Mike. She is lovingly remembered by her son, Timmy; daughter, Missy; sisters, Susie and Tammy; and brother, Joey; as well as her 5 grandchildren, Chloe, Deon, Nathan, Frankie & Zoe.

She will be known for her unique personality. She had a love for her family and friends and loved to make people laugh whether it was laughing at her or laughing with her. She enjoyed cooking, camping, drawing and being with her animals.

She loved people and loved being around people; you always knew when Jackie was in the room she had such an infectious, contagious way about her.

We will miss her deeply but her energy and love will be with us forever. A Celebration of Life will be held at a later date.

Below is a poem that our Mom left us when she passed away in 2004, we would like to use it to carry on with Jackie.

You can shed tears that she is gone,

or you smile because

she has lived.

You can close your eyes and pray

that she’ll come back,

or you can open your eyes

and see all she’s left.

Your heart can be empty because

you can’t see her, or you can

be full of the love you shared.

You can turn your back

on tomorrow and live yesterday,

or you can be happy for tomorrow

because of yesterday.

You can remember her and

only that she’s gone, or you can

cherish her memory

and let it live on.

You can cry and close your mind,

be empty and turn your back,

or you do what she’d want:

smile, open your eyes,

love and go on.

Messages of Condolence

So sorry for your loss

I will always remember that huge smile and big dimples

You were my soul sister

Rest peacefully

This is Deon (one of her grandchildren).

I was heartbroken when my mother had informed me that she had passed, and it pains me to still think about it.. it feels like it is not real, but sadly it is..
thankfully grandma Jackie (Jacqueline Wilma Miles) had passed knowing that we all loved her dearly, and will remain to keep her close to our hearts.
Her life will live on through us, her family, rather that be her sisters, children, or, grandchildren.
I did many things with her, and primarily enjoyed to talk to her, cook, draw.. just do anything with her really, I even talked to her on occasion by FaceTime when we could which was very enjoyable. But the best was when she would come over and we would make “grandmas soup” which whenever she made it, it was delicious, we would also be able to hang out, and simply talk, say what’s on our minds and just enjoy each others presence.

You will me missed grandma.

My heart will always hurt from loosing you- You taught me so much about life, love and loving myself. Your heart was so full of love to everyone you embraced. Your laugh was truly one of a kind, a contagious one that would make anyone laugh with you, whether they knew you or not. I love you Wacko

Jackie was my favourite cousin and childhood best friend.

She was smart, beautiful, funny, energetic, direct, sweet, fun, naughty, loving, mischievous, the loudest in the room, and tough as shit.

So many memories of the “trouble” we used to get into, and all the fun and laughs we had. I never did thank her for “ beating up” all those boys.
I’ll remember her with her great smile, big dimples and twinkle in her eyes.

Timmy, Missy, Susie, Tammy, Joey, and families, so sorry for your loss. She was special, truly 1 of a kind.
Love you all

Condolences to all her family and friends.

It was a very special moment the day Jackie married Mike and she became part of our family. She was and always will be remembered as a special part of our and Robbies life. We enjoyed her company, infectious laugh and her giddy manner was always something special. She always went out of the way to pay special attention to Robbie.
We will surely miss her. Condolences to all of Jackie's family.
